5. A consulting firm is allowed to submit the expression of interest alone if it considers itself to be fully qualified on its own for the assignment, as it is not mandatory for consultants to associate with any other firm(s), whether foreign or local. Alternatively, if consultants themselves choose to associate to enhance their qualifications and capability for the assignment, then such associations may either be as a Joint Venture (i.e. all members of the joint venture shall be jointly and severally responsible) and/or Sub-consultants (i.e. the Consultant will be responsible, including for the services of the sub-consultant). In case of an association, the Consultants must explain in the EOI submission (a) the rationale for forming the association and (b) the anticipated role and relevant qualifications of each member of the Joint Venture and/or of each sub-consultant for carrying out the assignment, to justify the proposed inclusion of the JV members and/or sub-consultants in the association. Failure to provide the above explanation in the Expression of Interest may risk the association not being selected for the assignment. Please note that in the evaluation of EOIs of associations for selection purposes,

only the qualifications of the JV members will be taken into account whereas the qualifications of proposed sub-consultants will not be considered.

6. The selection criteria are:

- i. General Experience of the Consultant (as a firm) in providing consultant services
  - *Experience in successful completion of projects financed by international financing institutions; preferably under the World Bank finance, within last 10 years prior to deadline for submission of interests.*
