

GENERAL PROCUREMENT NOTICE

REPUBLIC OF TÜRKİYE
MUNICIPAL INFRASTRUCTURE FOR RECOVERY AND RESILIENCE
PROJECT
WATER, WASTEWATER, SOLID WASTE AND TRANSPORT SECTORS
GENERAL PROCUREMENT NOTICE
Mode of Financing: INSTALMENT SALE
Financing No. TUR-1066

The Republic of Türkiye - Ministry of Treasury and Finance has received financing in the amount of **EUR 150,000,000.00** equivalent from the Islamic Development Bank toward the cost of the Municipal Infrastructure for Recovery and Resilience Project - Operation - 1, and it intends to apply part of the proceeds to payments for goods, works, related services and consulting services to be procured under this project.

The İller Bankası A.Ş. has received financing in the amount of **EUR 50,000,000.00** equivalent from the Islamic Development Bank toward the cost of the Municipal Infrastructure for Recovery and Resilience Project - Operation - 2, and it intends to apply part of the proceeds to payments for goods, works, related services and consulting services to be procured under this project.

The project will include the following components

Component A – Environmental Infrastructure Investments: financing investments in water, sanitation, wastewater, stormwater drainage, and solid waste management sectors with a focus on resilience against seismic and climate-related risks. These investments include construction or reconstruction of infrastructure and purchase of equipment and machinery.

Component B – Sustainable Urban Mobility Investments: financing investments in sustainable urban transport such as purchasing of low-carbon vehicles (tramway/train vehicles, electric buses), creation of sub-structures (bus lanes, railway lines), development of non-motorized services (pedestrian, cycling), adoption of smart mobility technologies emphasizing on resilience and accessibility.

Component C – Technical Expertise for Studies and Supervision: supporting consultancy services for design reviews, preparation of bidding documents and supervision of works (C.1) and studies related to Environmental and Social Safeguards (C.2).

Component D – Project Management Support, Technical Assistance and Capacity Building: assisting project management with staffing, equipment and upgrading of information systems (D1), launching project implementation and supporting Communication and Visibility (C&V) (D2), building capacity of EA and beneficiaries in mainstreaming “Build Back Better” principles, awareness of environmental and social safeguards, and disaster management practices (D3); and developing Interest-free (Shariah-compliant) financing products while ensuring compliance with Turkish regulations with support from IsDB Institute (IsDBI) to be provided separately from the subject project (D4).

Component E – Financial Audit: supporting services to ensure compliance with audit requirements of the project (both on annual basis and for replenishments of the Special Accounts).

Component F – Contingency Emergency Response Component: A zero-value component for emergency response to disasters or pandemics.

Procurement of contracts financed by the Islamic Development Bank will be conducted through the procedures as specified in the *Guidelines for the Procurement of Goods, Works and Related Services under Islamic Development Bank Project Financing* (April 2019 edition, amended from time to time), and is open to all eligible bidders as defined in the guidelines. Consulting services will be selected in accordance with the *Guidelines for the Procurement of Consultancy Services under Islamic Development Bank Project Financing* (April 2019 edition, amended from time to time).

Specific procurement notices for contracts to be bid under the Islamic Development Bank's international competitive bidding (ICB) or international competitive bidding – member countries (ICB/MC) procedures and for contracts for consultancy services will be announced, as they become available, in [IsDB Website](#), [ILBANK Website](#), Final Beneficiary Website and a National or the Official Gazette.

Prequalification of suppliers and contractors will be required for the following contract;

- Construction of Diyarbakır Ergani Wastewater Treatment Plant

Interested eligible firms and individuals who would wish to be considered for the provision of goods, works and consulting services for the above mentioned project, or those requiring additional information, should contact the Beneficiary at the address below:
