

Invitation for Bids

Date:	14 May 2026
Loan No. and Title:	Loan 4680-TUR: Post-Disaster Municipal Services Improvement and Resilience (Sector) Project
Contract No. and Title:	PDMSIR-BESNI-W1: Construction of Besni Wastewater Treatment Plant
Deadline for Submission of Bids:	9 July 2026, 14:30 hours (Türkiye Local Time)

1. The **Republic of Türkiye** has received financing from the Asian Development Bank (ADB) toward the cost of **Post-Disaster Municipal Services Improvement and Resilience (Sector) Project**. Part of this financing will be used for payments under the Contract named above. Bidding is open to Bidders from eligible source countries of ADB.
2. The Besni Municipality (the “Employer”) invites sealed bids from eligible Bidders for the construction and completion of **Besni Wastewater Treatment Plant** (the “Works”) which is planned to be built and operated by Besni Municipality. Besni Wastewater Treatment Plant shall be a treatment plant with A²O Process (Extended Aeration with sludge stabilization) for nitrogen and phosphorus removal. The first stage of the treatment plant is planned to serve to 74,000 p.e. in 2043 with the average flow rate of 9,116.8m³/day.

The design and construction period will be 720 days, followed by 12 months for Defect Liability Period.

3. Open competitive bidding – International Advertisement will be conducted in accordance with ADB’s [Single-Stage: Two-Envelope](#) bidding procedure and is open to all Bidders from eligible countries as described in the Bidding Document.
4. Only eligible Bidders with the following key qualifications defined in the Bidding Document may participate in this bidding:
 - (a) Participation as contractor, Joint Venture partner, or Subcontractor in:
 - at least one (1) contract, with a value of at least nine million Euro (€9,000,000.00), or
 - two (2) contracts with a total value of at least thirteen million five hundred thousand Euro (€13,500,000.00).

that has been successfully and substantially completed between 1 January 2016 to the deadline for bid submission and that is similar to the proposed Works. The similarity shall be based on construction or design and construction of wastewater treatment plant(s) or drinking water treatment plant(s).

- (b) For the above or other contracts executed during the period stipulated above, a minimum experience in the following key activities:

- Design, Construction, installation and commissioning of a wastewater treatment plant or drinking water treatment plant in 1 (one) contract with an average flowrate of at least 5,500 m3/day or,
 - Design, Construction, installation and commissioning of a wastewater treatment plant or drinking water treatment plant in 2 (two) contracts with total average flowrate of at least 8,250 m3/day.
- (c) The average of annual turnovers in construction works over the past five (5) financial years shall be a minimum of fifteen million Euro (€15,000,000.00) or equivalent.
- (d) The Bidder must demonstrate that its financial resources defined in FIN – 3, less its financial obligations for its current contract commitments defined in FIN – 4, to meet;
- the cash-flow requirement of two million Euro (€2,000,000.00), and
 - the overall cash flow requirements for this contract and its current commitments.
- (e) Submission of audited financial statements or, if not required by the law of the Bidder's country, other financial statements acceptable to the Employer, for the last 5 (five) (2021 to 2025) years to demonstrate the current soundness of the Bidder's financial position. As a minimum, Bidder's net worth for the last year, calculated as the difference between total assets and total liabilities, should be positive.

A more detailed description of the qualification criteria is given in the Bidding Document.
